

Cesar Chavez Community School first announced the opportunity for students, family members, and community members to serve on our Equity Council in December, 2019. These announcements were made via our website, and multiple school-wide announcements.

Announcements included information about creating a new **Equity Council** to lead toward improving outcomes for “at-risk” students, including Native American students, students with disabilities, students who are English learners, and economically disadvantaged students.

Thank you to those who have responded!

*Process for Selecting Members for three to four year terms on the Council:
CCCS will consider all inquiries and select council members through a fair and transparent process including application and/or interviews. Equity Council Members will be selected based strongly on their interest in serving on the Council.

We are happy to announce that the following people will be serving on our Equity Council:
